Comments to the Annotated Agenda

Agenda item 2.3. and Annex 1

CDM Executive Board workplan 2019 and preparation of budget plan

- We express the wish to maintain an annual DOE calibration workshop on the agenda (useful exercise to harmonize understanding and quality)
- If not done in Bonn, please include a budgetary option to enable the participation of the Forum chair

COP 25

- Several DOEs and DOE Forum chair will attend
- Offer to contribute (if wished) to the side event of the CDM-EB
- Key interest that CDM will continue beyond 2020 and in enabling transfer options to Art 6

Thank you for your attention!

Rainer Winter
on behalf of the Chair of the DOE/AIE Forum
